

Show the industry how to use your product!

Hands-on courses take place inside the exhibit hall during exhibit hours. These courses are not for continuing education credit and can be brand / product specific. Time will be permitted to set up equipment or product for use during the course. Each course has a maximum of 40 participants. At the 2010 Orlando Pool & Spa Show, 6 courses were offered with an average of 25 participants per course. The fee to present a hands-on course is \$500.
