Layers of Protection and Safety

Use multiple methods to prevent access to your pool. Follow pool safety rules to have a fun time in the water!

Get out of the pool at the first sign of thunder or lightning

Hire a licensed electrician to be sure of proper **GROUNDING** and **BONDING** of your home and pool

Door, window, and in-pool **ALARMS**

Store and use pool chemicals according to label instructions

Install certified safety pool covers

LEARN to swim

Don't swim without safety **COVERS** on drains, suction fittings and jets

Designate a **POOL WATCHER**, someone to watch swimmers with no distractions

Install self-closing, self-latching gates on ASTM approved safety **FENCING**

Learn CPR
