Setup

Wednesday, February 7 12:00 p.m. - 6:00 p.m.
Thursday, February 8 7:30 a.m. - 6:00 p.m.
No set up is permitted Friday, February 9.

All materials must be unloaded on Wednesday, February 7 or Thursday, February 8. No set up is permitted Friday, February 9.

Unloading & Loading

All unloading of exhibit material will be handled in the loading dock area of West Hall E. EUSE provides a free parking pass on the day of move-in so you can unload your materials, park in the OCCC parking lot and then set-up your booth. If you will be unloading your own material you will have fifteen (15) minutes to unload and remove your car from this area.

Vehicles are staged in an area outside of the loading docks. A map for this area will be provided by Arata Expositions in the exhibitor services manual. OCCC does not permit booth materials to be carried through the front doors of the exhibit hall.

Exhibitors may transport their booth materials on their own in ONLY one of two ways: 1) They may hand-carry their own materials into the exhibit facility; 2) They may use a two wheel hand truck to bring their own materials into the exhibit facility. The use or rental of dollies, flat carts, pallet jacks and/or any other mechanical equipment is not permitted.

Cart load services is available at the freight desk for a rate of \$80 per round trip.

Floor Covering

Each exhibit is REQUIRED to have some form of floor covering whether it is rented through Arata Expositions or provided by the exhibitor.

Booth Specifications

Display materials should be arranged in such a manner as not to obstruct sight lines of neighboring exhibitors and should not project beyond booth space allotted.

The maximum height of eight feet (8') is allowed only in the rear half of the booth space, with a four foot (4') height restriction imposed on all materials in the remaining space forward to the aisle.

All exposed parts of any display must be finished or covered with drapery at the exhibitor's expense.

Exhibits exceeding eight feet (8') in height must be approved by Show management in advance.

For exhibit guidelines and diagrams explaining what is permitted based on booth type please visit www.UnderTheSunExpo.com.

Teardown

Teardown begins at the close of Show on Saturday. Your exhibit must be down and packed and your carrier checked in by 9:00 p.m. Any exhibit material left on the floor will be re-routed via the official carrier. No exhibit may be dismantled or removed prior to the Show closing on Saturday.

100% of proceeds support the Florida pool and spa industry and FSPA's work to advance the industry in Florida.

FREQUENTLY ASKED QUESTIONS

How do I obtain an exhibit space application and contract?

The exhibit space application and contract is available online at www.UndertheSunExpo.com or by calling Wendy Parker at (941) 952-9293 x102.

How are booth spaces assigned?

Through June 30, booth spaces are assigned based on priority points earned from previous participation and sponsorship in the Expo. After June 30, booths are assigned based upon Show management's receipt of signed contract and deposit. The floorplan is available at www.UndertheSunExpo.com.

When will I receive confirmation of my booth selection?

For applications received prior to June 30, assignments will be sent by August 1. After August 1, assignment confirmations are sent weekly. Your booth space will not be assigned or confirmed without a deposit and signed contract.

Who is the general services contractor?

Arata Expositions is the official service contractor for the EUSE. Arata is responsible for labor services, transportation, furnishings, material handling, cleaning and decorations.

How can I contact Arata Expositions?

You can contact Arata Expositions Customer Service by calling (301) 921-0800.

When will I receive an Exhibitor Service Kit?

Exhibitor Service Kits are e-mailed by Arata Expositions in mid-November or after your booth space has been paid for in full. Kits are also available on the show Web site in the login area.

Can I bring in the materials for my own booth?

Per the work rules and regulations of the Orange County Convention Center: Employees of the exhibiting company may transport their booth materials on their own in ONLY one of two ways: 1) They may hand-carry their own materials into the exhibit facility; 2) They may use a two wheel hand truck to bring their own materials into the exhibit facility. The use or rental of dollies, flat carts, pallet jacks and/or any other mechanical equipment is not permitted. Cart load services is available at the freight desk for a rate of \$80 per round trip.

Can I set up my own booth?

Yes, you may use full time employees to set up your exhibit. If you use a service contractor other than Arata, you must complete the Exhibitor Appointed Contractor form and provide a certificate of insurance naming Arata, Everything Under the Sun Expo and the Orange County Convention Center (OCCC) as additional insured.

Can I bring in my own furniture and carpet?

Yes, you may bring your own tables, chairs and floor covering.

Can I hang banners from the ceiling over my booth?

Hanging signs and graphics are permitted in peninsula and island booths only. They should be set back ten feet from adjacent booths. Approval for use should be obtained from EUSE 60 days prior to the Show. You must schedule the hanging of your banner through the rigging department of OCCC in advance.

Is Lead Retrieval available?

The official EUSE registration contractor is ExpoLogic. They can provide many options for you to collect and store leads. Order forms will be provided in your exhibitor services kit.

How do I order electric and water for my booth?

Utilities are provided by the OCCC. You can order utilities for your booth on the Center's Web site at www.occc.net.

Is internet and telephone service available?

SmartCity is the provider of internet and telephone service for exhibitor booths. These services can be ordered at www.occc.net.

Can I serve food in my booth?

All food and beverage served in the exhibit hall must be provided by Centerplate. If you plan to cook in your booth you will need to have approval from the fire marshal. For additional information and pricing for booth catering services visit www.occc.net.

Why does my company need to have liability insurance?

The EUSE insurance carrier requires that each exhibitor participating in the Show provide a copy of their company's certificate of liability insurance upon request.
