Local Pool Builder Wins Award for Excellent Design

North Miami - Local pool builder Essig Pools, Inc. has received an award in the Florida Swimming Pool Association's (FSPA) annual Design Awards contest.

Essig Pools, Inc. of North Miami won a Gold award for its entry. This winning pool was entered into the contest by Ken Sherman in the Residential Pool/ Spa Combination 701 sq. ft. and over category.

FSPA President Dominick Montanaro said, "The Florida Design Awards winners are an excellent example of the outstanding work being produced by Florida Swimming Pool Association members in our area and across the state."

The annual FSPA Design Awards program gives members an opportunity to enter their pools, spas and water features for judging on workmanship, soundness of design, beauty, practicality and safety. Categories customized for Florida pool construction divide the entries by size, type of construction and features.

This year, 35 awards were given out in 9 categories ranging from gold, silver, bronze and award of merit to technical achievement and creativity awards. The winners are selected by a Design Awards Committee, which consists of knowledgeable professionals, and are recognized at the annual *Florida Pool and Spa Show* in February.

The Florida Swimming Pool Association is a trade association for the pool and spa industry in Florida. There are approximately 700 businesses in membership divided into 16 Chapters across the state. Members are required to abide by a code of ethics and to be properly licensed and insured. FSPA provides the industry with access to continuing education courses, information on current trends and issues, an arbitration program and a full-time lobbyist. FSPA is governed by a Board of Directors and is an affiliate of the Association of Pool and Spa Professionals.

FSPA President Dominick Montanaro said, "The Florida Design Awards winners are an excellent example of the outstanding work being produced by Florida Swimming Pool Association members in our area and across the state."

The annual FSPA Design Awards program gives members an opportunity to enter their pools, spas and water features for judging on workmanship, soundness of design, beauty, practicality and safety. Categories customized for Florida pool construction divide the entries by size, type of construction and features.

This year, 35 awards were given out in 9 categories ranging from gold, silver, bronze and award of merit to technical achievement and creativity awards. The winners are selected by a Design Awards Committee, which consists of knowledgeable professionals, and are recognized at the annual *Florida Pool and Spa Show* in February.

The Florida Swimming Pool Association is a trade association for the pool and spa industry in Florida. There are approximately 700 businesses in membership divided into 16 Chapters across the state. Members are required to abide by a code of ethics and to be properly licensed and insured. FSPA provides the industry with access to continuing education courses, information on current trends and issues, an arbitration program and a full-time lobbyist. FSPA is governed by a Board of Directors and is an affiliate of the Association of Pool and Spa Professionals.

Local Pool Builder Wins Award for Excellent Design

Sarasota - Local pool builder Lucas Lagoons, Inc. has received an award in the Florida Swimming Pool Association's (FSPA) annual Design Awards contest.

Lucas Lagoons, Inc. of Sarasota won a Silver award for its entry. This winning pool was entered into the contest by Barbara Luehring in the Residential Shotcrete/Gunite Restorations category.

FSPA President Dominick Montanaro said, "The Florida Design Awards winners are an excellent example of the outstanding work being produced by Florida Swimming Pool Association members in our area and across the state."

The annual FSPA Design Awards program gives members an opportunity to enter their pools, spas and water features for judging on workmanship, soundness of design, beauty, practicality and safety. Categories customized for Florida pool construction divide the entries by size, type of construction and features.

This year, 35 awards were given out in 9 categories ranging from gold, silver, bronze and award of merit to technical achievement and creativity awards.
