LOCAL POOL BUILDER WINS MULTIPLE AWARDS FOR EXCELLENT DESIGN

(SARASOTA, Fla.) February 15, 2016– AAA Custom Pool Inc. of Jupiter received three awards in the Florida Swimming Pool Association’s (FSPA) annual Design Awards contest. An entry in the Pool/Spa Combination Vanishing Edge category received a Gold Award as well as an entry in the Pool/Spa Combination 501 sq. ft. – 700 sq. ft. category. Another entry took the Bronze Award for the Pool/Spa Combination 701+ sq. ft. category. The winning pools were entered into the contest by Scott Bryson. The projects were designed by AAA Custom Pool Inc.

The annual FSPA Design Awards program gives members an opportunity to enter their pools, spas and water features for judging on workmanship, soundness of design, beauty, practicality and safety. Categories customized for Florida pool construction divide the entries by size, type of construction and features. FSPA Executive Director, Wendy Parker said, “The FSPA Design Awards recognizes some of the best pools being built in Florida by FSPA members. The excellence and quality seen in these pools, spas and water features are a true testament to the builders.”

The winners are selected by a Design Awards Committee, which consists of knowledgeable professionals, and are recognized at the annual *Everything Under the Sunsm Expo* in February. This year, 15 awards were given out in total.

The Florida Swimming Pool Association is a trade association for the pool and spa industry in Florida. There are approximately 600 member businesses in 16 chapters across the state. Members are required to abide by a code of ethics and to be properly licensed and insured. FSPA provides the industry with access to continuing education courses, information on current trends and issues, an arbitration program and government relations representation.
